Money, savings and investments

- £0.00

We have taken £0.00 off your Universal Credit payment because you have money, savings and investments of £10.00.

You must tell us if this changes so that we can pay you the correct amount on time. You can do this in the 'Report a change of circumstance' section of your online account.

The first £6,000 of your money, savings and investments does not affect your payment. If you have over £6,000 up to £16,000, every £250 reduces your Universal Credit by £4.35. For any remaining amount that is not a complete £250, a further £4.35 is also deducted.
